1. The older generation likes board games and card games while the younger generation is more in favor of playing computer and cellphone games. Which one do you prefer and why?
2. Do you agree or disagree with the following statement? Schools should require students to attend cultural events (for example, visit an art museum to see an exhibition).
3. Your university currently requires all students to take one humanities course in a subject such as literature or philosophy in order to graduate. However, some students majoring in subjects such as math and science think that these humanities courses are not relevant to their field of study and they should therefore not be required to take them. Do you agree with these students? Explain why or why not.
4. Some people prefer to live in many different cities throughout their lives, while others prefer to stay and live in just one city. Which do you prefer, and why?
5. Some people think that having a sense of humor makes it easier to deal with certain difficult situations in life such as conflicts with friends. Others believe it is best to approach difficult situations in a more serious manner. Which point of view do you agree with? Use details and examples to explain your opinion.
6. Do you agree or disagree with the following statement? It is more difficult to be a parent nowadays than in the past.
7. Your university plans to open a new cafe on campus. Some students think the café should be designed as a quiet area where students can read and study. Other students think the cafe should be designed as a place for students to talk with friends and watch television on large screens. Which proposal do you support, and why?
8. Do you think the government should spend money saving endangered animals or the money has to come from private sources?

9. A large corporation wants to hire a new leader to run the business. It is considering two highly qualified candidates who have different approaches to decision-making for the job. The first person has a reputation for acting quickly and not always consulting with others before making decisions. The second person is known for sometimes delaying decisions in order to consider other people's opinions. Who do you think would make a better leader?
10. Some college students choose a course of study that will give them specific professional training such as teaching or engineering, while others choose a broader course of study such as philosophy or history that will give them more general knowledge. Which do you think is better?
11. Do you agree or disagree with the following statement? Employees shouldn't send personal texts or emails during work hours. Explain why.
12. When purchasing a new or used product, in some situations there is not a fixed price, so the buyer and seller negotiate to reach an agreement on the price. Some buyers enjoy this process and prefer to negotiate a price whenever they can. Other people dislike the process of bargaining and would prefer to always pay a fixed price. Which do you prefer?
13. Some think that natural talent and ability are more important for an athlete; others think that hard work is more important. What do you think?
14. Some teachers prefer students to send questions about coursework and assignments by email. Other teachers prefer students ask these questions in person. Which do you think is better? Explain why.
15. Some people prefer to spend time by themselves while others prefer to spend time with their family. Which do you prefer? Explain why.
16. Some people like to listen to music on headphones while they go from one place to another. Others prefer going from place to place in silence. Which do you prefer? Explain why.
17. Do you agree or disagree with the following statement? Technology distances people from each other more than it brings them together. Use specific examples and details to support your opinion.

18. Do you agree or disagree with the following statement? It is important for all university students to engage in social activities such as joining clubs or sports groups. Use details and examples to explain your answer.
19. Do you agree or disagree with the following statement? Newspapers are a better source of information about current news events than television is. Use details and examples to explain your opinion.
20. Some students who study abroad prefer to live with roommates from the same cultural background. Others prefer to live with roommates from different countries. Which would you prefer and why?
21. Some college students take classes during the summer. Others take the summer off from school, so that they can rest or work at a job. Which do you think is better for students? Explain why.
22. When we meet new people we tend to notice certain things about them. Do you think that these first observations tell you a lot about the person or that it takes a long time to know what a person is like? Please include specific details in your explanation.
23. Some people are willing to spend a lot of money on a vacation so they can do something special. Others prefer to spend very little money on their vacations. Which do you think is better? Why?
24. Some university students participate in clubs or activities in addition to doing schoolwork. Other students spend most of their time doing schoolwork and do not participate in extra activities. Which do you think is better and why?
25. Do you agree or disagree with the following statement?
Good teachers admit when they have made a mistake or do not know something.
Use a specific example to support your point of view.
26. Companies have started giving their employees extra free time during the workday to socialize or engage in non-work activities. The theory is that this will increase productivity over time. Do you agree with this theory? Explain why or why not, using details and examples.

27. Your university is organizing a series of guest lectures. Some people think that speakers with controversial opinions should not be invited to speak at the university. Others believe that the university should feature variety of speakers, regardless of their opinions. Which point of view do you agree with? Explain why, using details and examples in your response.
28. Do you agree or disagree with the following statement?
Nowadays, for a business to be successful, it must be actively involved in social media.
Use details and examples to explain your opinion.
29. Some people believe that businesses should be required to spend a certain amount of their profits on social programs that benefit the public and the communities where they operate. Others believe that businesses should be able to decide for themselves how spend their profits. Which idea do you agree with? Use details and examples to explain your opinion.
30. Do you agree or disagree with the following statement?
It is better for students to live with a roommate who is studying the same subject.
Use details and examples to explain your opinion.
31. Some people like to read certain books more than once. Others prefer to always read something they have never read before. Which do you usually prefer? Explain why, using details and examples.
32. Do you agree or disagree with the following statement?
People should only engage in activities or hobbies at which they are good or talented.
Use details and examples to explain your answer.
33. Do you agree or disagree with the following statement?
It is important to help people who have moved into your neighborhood to feel welcome and part of the community.
Use details and examples to explain your answer.

34. When watching movies and television shows with friends and family, some people prefer that everyone remain quiet until the end. Other people enjoy talking and sharing opinions during the movies and shows. Which do you prefer? Explain why.
35. Some people prefer to spend their extra money on objects, such as clothes or electronics. Other people prefer to spend it on experiences, like vacations or concerts. Which do you prefer and why?
36. Some people believe that a country's government should give money to support art institutions like museums or theaters. Others feel that it should not be the role of governments to do this. Which opinion do you agree with? Explain why.
37. Some people believe that doing homework is not helpful for younger children and that it should be given only to older students. Others believe that homework should be assigned to children of all ages. Which point of view do you agree with? Use details and examples to explain your opinion.
38. Some people think that, when moving to a new country, they should adapt to the cultural habits and traditions of the new country. Other people prefer to keep their original habits and traditions. Which point of view do you agree with? Explain why, using details and examples in your response.
39. Some people prefer to work in a company where they have the independence to complete tasks and work out solutions to problems on their own. Others prefer to work in an environment where they are told exactly what they need to do. Which work situation would you prefer and why?
40. Some universities expect students to choose a major field of study when they enter university. Other universities allow students to wait until the second or third year before deciding on a major field of study. Which do you think is better? Why?
41. Some people believe that every college student should be required to take math classes. Others believe that only those who need it in their future careers should be required to study math. Which point of view do you agree with? Use details and examples to support your answer.

42. Your university is planning to require all first-year students to take a class in which they would learn how to use the resources available at the university library and apply those skills in writing a long research paper. Do you think this is a good idea? Explain why or why not, using specific examples and details.
43. Some people like to organize and plan parties or other social events. Others prefer not to organize parties and would rather simply attend events that they have been invited to. Which do you prefer? Use details and examples to explain your opinion.
44. Do you agree or disagree with the following statement? Students who are physically active and exercise regularly are more likely to succeed academically. Use details and examples to explain your opinion.
45. When visiting an art museum, some people prefer to go with their friends or colleagues and discuss the works of art. Others prefer to go alone so they can view and think about the works of art by themselves. Which do you prefer? Explain why. Give specific details and examples in your response.
46. Some people prefer to shop for groceries at specialty shops such as butcher shops and bakeries. Others prefer to shop for everything at once at a supermarket. Which do you think is better and why? Use details and examples to support your answer.
47. Do you agree or disagree with the following statement? Children need to learn at an early age how to be independent. Use details and examples to explain your answer.
48. Do you agree or disagree with the following statement? Parents should not read their children's text messages and emails without their permission. Use reasons and details to explain your opinion.
49. Because most students have their own laptops, your university is considering closing the campus computer lab, where students use university-owned computers. Do you think this is a good idea? Explain why or why not, using details and examples in your response.

50. To help ensure students have enough time for studying, your school is considering placing a limit on the number of student clubs, sports, or organizations that a student is allowed to join. Do you think this is a good idea? Explain why or why not, using specific details and examples in your response.
51. Your city is considering a proposal to require car owners to pay an additional fee if they drive cars that do not meet environmental standards set by the city for air pollution. Do you think this is a good idea? Explain why or why not. Support your opinion with specific details and examples.
52. Some people believe that a country's government should be responsible for the health of its citizens and should regulate the sale of unhealthy food and drinks. Other people believe that individuals should be free to make their own decisions about what they consume. Which view do you agree with? Use details and examples to explain your answer.
53. Some people believe that our personalities change as we grow older. Others think that our personalities stay the same from childhood. Which view do you agree with and why? Give specific details to explain your answer.
54. Do you agree or disagree with the following statement? Parents should discourage their children from pursuing careers in competitive fields where success is not likely, such as professional sports or entertainment. Use examples and details to explain your answer.
55. Many universities require all first-year students, regardless of their field of study, to take a writing or composition course in which they write several essays on a variety of topics. Do you think this is a good idea? Explain why or why not. Use details and examples to explain your opinion.
56. Do you agree or disagree with the following statement? The increasing number of different resources on the Internet has actually made it more difficult to find reliable information. Use specific details and examples to support your opinion.

57. Some people think that parents should help children solve their problems. Others think that children should learn to solve problems on their own. Which point of view do you agree with? Explain why, using details and examples.
58. The local elementary school in your area has decided to make a change to their science program. Instead of children performing experiments themselves, in science class, they will now watch demonstrations of science experiments on videos. Do you think this is a good idea? Why or why not? Use details and examples in your response.
59. Some high schools require students to take music and art classes. Other schools do not require such classes. Which do you think is better for students and why?
60. Do you agree or disagree with the following statement? People should spend time reading the news every day in order to know what is happening in other countries around the world. Use details and examples to explain your opinion.
61. Imagine you have been offered two jobs. One job pays a very high salary but requires you to work very long hours and weekends. The other job pays a lower salary but does not require you to work outside of regular business hours. Which job would you choose? Explain why.
62. Some people choose a profession that will allow them to work independently. Others choose a profession that will allow them to work as part of a group. Given a choice, which kind of profession do you prefer and why?
63. Your university is considering a policy in which professors will only be eligible for promotions and pay raises if they have received positive evaluations of their teaching from students. Do you agree with this policy? Explain why or why not, using specific examples and details.
64. It is the policy of many universities that parents of university students cannot have access to their child's grades without their child's permission. Do you agree or disagree with this policy? Use details and examples to explain your opinion.

65. Some people prefer to learn new material by reading a textbook. Others learn best by listening to a lecture on the topic. Which method of learning do you prefer? Why?
66. When traveling in an unfamiliar place, some people prefer to use smartphones or other navigational devices to get around and find places. Others prefer to explore on their own and ask others for directions when necessary. Which do you prefer? Use details and examples to explain your preference.
67. Do you agree or disagree with the following statement? Watching television is not a good use of time. Use specific examples and details to support your opinion.
68. Some people believe that artists, such as painters, writers, and musicians, need to be born with natural abilities in order to be successful. Others believe that artists can become successful through hard work. What is your opinion?
69. The university you plan to attend has offered you a choice of two possible dormitory rooms to live in next year. One room is in a new dormitory with many modern conveniences. The other is in an older but historically important dormitory where former students who are now famous once lived. Explain which you think would be a better choice and why. Use specific details in your response.
70. Some people play games or sports for enjoyment. Others play only with the goal of winning. Which approach to playing games or sports do you think is better? Give reasons to support your opinion.
71. To promote academic success, your university is considering a new policy that would limit the number of hours per week that students can spend working at university jobs. Do you think this is a good idea? Explain why or why not, using specific examples and details in your response.
72. Some people believe that certain places on Earth should be preserved and protected forever from human development. Others believe that humans should be able to use and develop all areas on Earth as the human population grows. Which view do you agree with? Explain why.

73. Some people prefer to watch films that are exciting and entertaining. Others prefer to watch films that are more serious and have an important message or teach them something new. What kind of film do you prefer and why? Use specific examples and details in your response.
74. Do you agree or disagree with the following statement? You should not try to help your friends with their problems unless they ask for your help. Use details and examples to explain your opinion.
75. Do you agree or disagree with the following statement? Students can learn school subjects as effectively through online videos as they can from classroom teaching. Use details and examples to explain your opinion.
76. Some people think students should be required to memorize factual information such as historical dates. Others think this is unnecessary because the Internet can provide this kind of information. Which view do you agree with? Use specific examples and details to support your opinion.
77. Some people think it is better to socialize on social media rather than in person. Which do you think is better? Explain why, using specific examples and details.
78. Do you agree or disagree with the following statement? Parents should encourage their children to become popular and well-liked at school. Explain why, using details and examples to support your opinion.
79. Imagine you have been offered two jobs in the same field with similar salaries and benefits. One is with a large, well established company with a good reputation. The other is with a small startup company that has just opened. Which job would you choose and why? Use details and examples to support your response.
80. Do you agree or disagree with the following statement, the most important factor that determines how successful students will be in school is the amount of intelligence they have. Use details and examples to explain your opinion.

81. Before going to see a movie, some people like to read reviews in which critics offer their opinion of the movie. Other people prefer to watch the movie without reading reviews of it. Which do you prefer? Use details and examples to explain why?
82. Do you agree or disagree with the following statement? People are more interested in reading negative news stories than positive ones. Explain why. Use specific examples and details in your response.
83. Some people think that libraries should be quiet places where people can read and study in silence. Others think that libraries should be more social places where people can meet and interact. Which view do you agree with? Explain why.
84. Your university wants to introduce a new policy: all students will now be required to do volunteer work in the local community, such as helping out in elementary schools or cleaning the parks. Do you agree or disagree with this policy? Give specific reasons to support your opinion.
85. When teaching children proper behavior, some parents think it is more effective to offer rewards when their children behave well. Other parents think it is more effective to discipline their children when they misbehave. Which point of view do you agree with? Use details to explain your opinion.
86. Do you agree or disagree with the following statement? Parents should control the access their children have to social media. Use details and examples to explain your response.
87. Do you agree or disagree with the following statement? People from simple, ordinary backgrounds often make the best government leaders. Use specific reasons and details in your response.
88. Some people think that participating in risk-taking activities such as rock climbing and skydiving requires bravery. Others think that participating in such activities is not really brave, but simply foolish. Which view do you agree with? Explain why.

89. Some high schools require students to pass a physical fitness exam, in which they are tested on their ability to perform certain physical activities, such as running and swimming, in order to graduate. Do you think this is a good idea? Explain why or why not. Support your opinion with specific details and examples.
90. Do you agree or disagree with the following statement? The best way to teach children how to behave is to praise their good behavior rather than to criticize their bad behavior. Use details and examples to support your opinion.
91. Do you agree or disagree with the following statement? It is important to protect children from learning too soon about life's difficulties. Use specific reasons and details in your response.
92. Do you agree or disagree with the following statement? It is important to protect children from learning too soon about life's difficulties. Use specific reasons and details in your response.
93. When visiting a museum that allows photography, some people like to take photographs of the exhibits they see. Others prefer to simply look at the exhibits and do not take photographs. Which do you prefer? Use details and examples to explain your opinion.
94. Your university has received a donation to use specifically on improving the fitness and sports center on campus. Some students think the university should use the money to start offering free group fitness classes with professional instructors. Other students think the university should spend the money on purchasing new, modern gym equipment, such as electronic treadmills and bicycles. There is enough money for only one of these proposals. Which proposal do you support, and why?
95. Do you agree or disagree with the following statement? Students will learn more if they have friends in the same class. Use specific examples and details to support your opinion.

96. Some people think that schools should assign projects and other work for students to complete over vacation, before the beginning of the school year. Others think that schoolwork should only be assigned during the actual academic year. Which opinion do you agree with? Explain why, using details and examples in your response.
97. When on vacation, some people prefer to participate in outdoor activities, such as hiking or swimming. Other people prefer to be less physically active on vacation. Which type of vacation do you prefer? Explain why.

Some people prefer to have these important discussions in a public place, such as a café or restaurant. Others prefer to have such talks in a more private place or at home. Which do you prefer? Explain why, using details and examples in your response.
102. When new technology is invented, such as new mobile phones or computers, some people like to buy it as soon as it becomes available. Other people prefer to wait before they buy it. Which do you prefer? Why? Give reasons and examples to support your opinion.
103. Some people believe that music education in school should focus only on classical and other traditional forms of music. Other people believe that students should also learn about current popular music in school. Which view do you agree with? Use details and examples to explain your opinion.

104. The student association has decided to reduce the number of student clubs they sponsor. Some members want to drop the Hiking Club. Other members prefer to drop the Speech and Debate Club. Which club do you think should be dropped? Explain why.
105. Some university classes only meet one day a week for a long period of time. Other university classes meet several days a week for shorter periods of time. Which do you think is better? Explain why.
106. Some people feel an emotional attachment to old items from the past, such as childhood toys and school projects, and prefer to keep them as long as possible. Others don't feel such an attachment and so don't keep them. Which do you prefer? Explain why?
107. Do you agree or disagree with the following statement? Playing sports as children encourage people to become overly aggressive later in life.
108. Some people prefer to travel when they have time off from school or work. Others prefer to spend their time off at home. Which do you prefer?
109. Imagine that you have applied for a job. The company has invited you to come to their office for an interview. However, the office is located a couple of hours away in another town. Because of the distance, the company has also offered to interview you by phone instead. Which would you choose and why?
110. Do you agree or disagree with the following statement? All children should be required to attend school until age 16.
111. Some elementary schools are establishing policies that prohibit teachers from giving homework to children, so all assignments are completed during the school day rather than at home after school. Do you agree with such policies? Explain why or why not.
112. Your professor has offered you the opportunity to help him with some important research this weekend. However, you have made plans to travel to your hometown this weekend to attend your sister's birthday party. What will you do? Explain the reasons for your choice.

113. Some people prefer to watch entertainment programs on television, while others prefer to watch educational programs. Which do you prefer and why?
114. Do you agree or disagree with the following statement? Schools should not allow young children to use calculators during math classes and exams.
115. Do you agree or disagree with the following statement? Preserving the environment is the responsibility of the government of each country.
116. Do you agree or disagree with the following statement? Before taking a job in a particular field, students should get some experience in that field through a part-time job or summer employment.
117. When taking notes during a lecture or meeting, some people prefer to write them by hand on paper. Other people prefer to take notes by typing them on a laptop or other devices. Which one do you prefer? Explain why, using details and examples.
118. Some people prefer to be constantly busy and always have something to do. Others prefer not to be busy all the time but to spend some periods of time doing nothing. Which approach do you think is better? Explain why.
119. Imagine you have been offered two jobs. One job pays a very high salary but requires you to work very long hours and on weekends. The other job pays a lower salary but does not require you to work outside of regular business hours. Which job would you choose? Explain why.
120. When students are reading, some choose the books from the reading list their schools give. Other choose books by themselves. Which do you prefer?
Use reasons and examples to explain your opinion.
121. Imagine that there is a proposal to lower the age at which a person can get a license to drive a car in your country. Would you agree or disagree with this proposal? Explain why.

122. Some teachers have an informal style and treat their students almost like friends. Other teachers have a more formal style and keep a professional distance from students. Which teaching style do you think is better for learning? Explain why.
123. Do you agree or disagree with the following statement? People should always wear fashionable clothes. Please use specific reasons and examples to support your answer.
124. Many students are asked to evaluate their professors at the end of the semester. Do you think it is a good idea? Why?
125. Do you agree or disagree with the following statement? We should be completely honest with friends.
126. Do you agree or disagree with the following statement? Parents should discourage children from joining some competitive activities like sports.
127. Which one do you agree? Children born with talent should be treated in a different way or they should be treated in the same way as average children.
128. Some students enjoy decorating their surroundings; others choose to keep their surroundings simple and free of any decorations. Which do you prefer and why?
129. Some people like participating in performances like theatrical or musical shows. Others prefer to be in audience watching those plays. Which do you prefer?
130. Do you like to make a plan with friends about social activities in advance or plan it when you attend it?
131. Do you agree or disagree with the following statement? Happiness comes from helping others rather than helping yourself. Use reasons and examples to explain your opinion.
132. Do you think it's a good idea for university to ask a student to leave school if he was caught cheating in exams?
133. When a friend is coming to visit your place, do you prefer a surprise visit or an informed one?

134. Do you agree or disagree with the following statement? It is easier to teach students in primary school than it is to teach students in university.
135. Do you agree or disagree with the following statement? In order to be successful, one has to make enemies.
136. Some recent university graduates choose to spend a period of time doing volunteer work of community service before they start their careers. Others think it is better to start working as soon as possible after graduation. Which view do you agree with? Use details and examples to explain your answer.
137. Do you agree or disagree that important business meetings should be held in person rather than use technology such as video conference call. Give specific reasons to support your answer.
138. Do you agree or disagree with the following statement?
People perform better when they are under some stress or pressure. The theory is that when people are under stress, they tend to have a clearer motivation about their goals. Use details and examples to explain your answer.
139. The school decided to cancel the long summer vacation. So students have to attend school all year with some short breaks during holidays. Do you agree or disagree? Please explain the reasons.
140. When people acquire a new electronic device, such as a camera or a computer, they may be unsure of how it works. Some people prefer to read the directions to understand how it works. Other people prefer to experiment with the device, to try to figure it out on their own. Which do you prefer and why?
141. Some countries have approved "homeschool" as part of education. Do you agree or disagree with this policy?
142. Professors shouldn't allow students to record class lectures. Do you agree or disagree with this policy?
143. Do you agree or disagree with the following statement? The purpose of art is to guide our life.

144. Do you agree or disagree with the following statement? Good luck is as important as hard work for a person's success.
145. Some professors prefer to answer students' questions at the end of the lecture, and others stop at different points to answer students' questions. Which style do you think is better for learning?
146. Do you agree or disagree with the following statement?
The government should spend money on projects that can encourage citizens to lead a healthier lifestyle. Please give your opinion and explanation.
147. Some people believe that we should not discuss the private activities of the popular people, like movie stars and singers. Do you agree? Why?
148. You live in a crowded city with only one green space-the city park. The government recently proposes to build a housing complex on this only green space. Do you think this is a good idea?
149. Some people prefer to spend lots of money on vacation. Some people would spend little money on vacation. Which do you prefer and why?
150. In a workplace, should the employer constantly supervise the employees or is it better that the employer only checks the employees occasionally? Please include specific reasons and details in your response.
151. Which would you prefer: start a project as early as possible or wait until the deadline?
152. Some parents think they should protect children from making mistakes. Some think they should let them make mistakes. What do you think?
153. Do you agree or disagree? Children should listen or read news at an early age.
154. Some people think they should learn math at school while others think they should learn math at work. Which do you prefer?
155. There is a policy that parents should not be allowed to see children's grades without their permission. Do you agree or disagree?
156. Some people like to write diaries or take photos to record what they've experienced when they're traveling, others don't do so. What's your opinion on it? Please explain with details.

157. Do you agree or disagree with the following statement? Kids should be allowed to keep pets.
158. Do you agree or disagree that government should pass a law to fine people who use mobile phones when crossing the street?
159. Which one do you prefer: taking classes in the morning or in the afternoon?
160. When giving feedbacks to students, some teachers would like to talk to their students in person, while some teachers would give written comments to students. Which do you prefer and why?

You've got this!

Speaking Task 1 in TOEFL iBT is all about expressing your ideas clearly and confidently. Remember, fluency comes with practice—every time you speak, you're getting stronger!

Here are a few tips to boost your progress:

Think of it as a conversation—don't overcomplicate your response. Just share your thoughts naturally.

Clarity over complexity—use familiar vocabulary rather than trying to impress with big words.

Structure matters—a quick intro, reason, and example will keep your answer organized. **Breathe and pause**—don't rush! A steady pace makes you sound more confident.

Mistakes are just stepping stones to improvement, so keep pushing forward. Every attempt sharpens your skills. Keep up the great work!
